

Pentrich Rising - instructions for South Wingfield soundwalk

Start point	QR code	Visual identifier
1. Outside the Old Yew Tree Inn, Manor Road, South Wingfield		
2. Facing the remains of Hunt's Barn - 50 metres to the left of the footpath. Be aware that the farmer has NOT granted permission to walk on his land) Rejoin the footpath afterwards		
3. At the junction of Garner Lane and Park Lane		
4. Facing two adjacent gates on the farm track		
5. Facing two successive wooden footpath gates		
6. On the bridge near The Weir Mill. Walk back in the direction from which you have just come		

The walk is around 5 miles and takes 2 hours to complete. Follow the South Wingfield map for orientation and for detailed information on the Pentrich revolt.

Use a QR reader (such as Zapper) on a (fully charged) smartphone or other device played through in- or on-ear headphones (not over-ear, as it is imperative that you are able to hear the sounds around you)

Exercise particular care when walking on roads as wearing headphones and listening to the soundtrack can be highly disorienting. Participants undertake the walk on the understanding that the artists are not held liable for any injury or damage howsoever caused and that participants in the soundwalks do so entirely at their own risk.
